THE HUMAN RESOURCE MANAGER.

Application for Front-End Developer Position Dear Sir/Ma, I am excited to apply for the Front-End Developer position at your esteemed company. Though I have no formal experience, I have built a strong foundation in HTML, CSS, JavaScript, and React.js through self-driven projects. My skills in responsive design, UI/UX implementation, and performance optimization make me eager to contribute to your team. I am highly motivated to learn and grow, and I admire your company's commitment to innovation. I would welcome the opportunity to discuss how my skills align with your needs. Thank you for your time and consideration.

Yours Sincerely,

Lebechi Obayi.
